

Gon Bello (1954), Netherlands

Education:

I am mainly autodidact. I started my artistic career in the sixties with lessons in art paintress from Adriaan Bosboom in Beverwijk. After that I followed courses for working with wax and clay to produce bronze sculptures. Since 2000 I especially took part in courses and classes for sculpturing in stone at the Artfarm.

Art:

Sculptures, mostly softer stone such as alabast, soapstone, serpentine. Sometimes work in Bronze.
