

David Gysel Lenk, Photographer, New York Institute of Photography (2004), USA. Art Graduate in Photography, Pontificia Universidad Católica (2009), Chile. His work has focused on nature and landscape photography. Searching for unknown landscapes and new views of well known places. This pictures are shown in the annual edition of the landscape calendar “Chile DesConocido” (since 2005), a word game which translated to English means “UnKnown”.
